

K-LOVE serves you as a VALUABLE asset to my local community, it provides a positive message to all people young and old. I never have to be afraid of bad language or profanity. I feel safe.

The effect on the local community could be devastating. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming what will the kids listen to or anyone for that matter. k-love is encouraging and the kids love it. I believe that the service provided by K-LOVE is in the public interest. I believe the positive messages of kindness for others and a safe place for all to enjoy. They are reaching lives everyday!
